🐙 RaghavSdev

Summary

B.Sc. Artificial Intelligence & Machine Learning student at Sri Krishna Arts and Science College with hands-on experience building predictive ML models and scalable software architectures. Proficient in Python, Java, and cloud deployment, seeking an AI/ML role to build data-driven, intelligent enterprise solutions.

Experience

Software Development Intern

1 Month

Private Project / Development Team

- Engineered a full-stack web application utilizing React, Spring Boot, and MySQL, optimizing the system architecture for seamless data processing.
- Managed end-to-end cloud deployment on AWS and resolved critical bugs to ensure cross-platform stability in production.

Education

Sri Krishna Arts and Science College

Aug 2024 – May 2027

B.Sc. Artificial Intelligence & Machine Learning

National Model Matriculation Higher Secondary School

2022 – 2024

11th and 12th Grade (Higher Secondary - Computer Science)

Lisieux Matriculation Higher Secondary School

Completed 2022

10th Grade

Certifications

- Generative AI Professional Certified (Scored 86%) — **Oracle**
- Artificial Intelligence (6-Month Course) — **Indra Institute of Education**
- Soft Skills Certification — **NPTEL**

Projects

Plant Disease Prediction Model

- Developed a Python-based ML model using preprocessed image datasets to classify plant diseases with 98% accuracy.

Placement and Recruitment Management System

GitHub

- Developed a full-stack platform to streamline recruitment workflows and automate student-recruiter data management.

Student Grade Prediction Using ML Models

- Engineered predictive machine learning models using Python and scikit-learn to forecast student academic performance.

Skills

- **ML/AI:** scikit-learn, pandas, numpy, Deep Learning, Generative AI, Predictive Modeling
- **Dev:** Python, Java, React, Spring Boot, MySQL, AWS
- **CS Fundamentals:** Data Structures, Database Management Systems (DBMS), Object-Oriented Programming (OOP)
- **Soft Skills:** Problem-Solving, Teamwork, Communication, Quick Learning
